## What Was '61-'62 at

Just what was packed into those nine short months? Many things. Hard work, investigation, rewards, troubles, new acquaintances, good times, inspiration, and realization, to name a few. In that short period of time we each aged a year. Maybe we learned to drive, or do the twist; but of more importance, we learned about our world and about ourselves. We showed our spirit, and we won, both in athletics and in the classroom.

Everyone is in a hurry.

## Homecoming

Homecoming was one of the most festive events of the year. Everyone anxiously awaited the naming of the queen. We had the best J-Hawk football team in the school's history, and we backed them all the way. It was a fine beginning for a spirited year.

We chose Linda McDowell as our queen. Lorraine Young, Dian Newport, Marsha Sahs, Becky Roberts, and Jan Frink were her attendants. We applauded them; everyone joined in the gaiety. We climaxed the celebration the following evening by dancing to the theme "Autumn Leaves."

"rewards . . .

Education is the business of a school, and the administration at Jefferson has the responsibility of supervising this business. Any credit we receive for academic or athletic achievements must be shared with all members of our school; it is only through their efforts and cooperation that progress is made.

## PRINCIPAL

The 1961-62 edition of "The STATESMAN" is an excellent record of the important school activities and events at Jefferson. You the "students" have been responsible for the success of these activities. Your success in school will prove to be valuable experience in the years ahead.

Congratulations to all students who were successful in the classroom. Education is the primary purpose for the schools of today. I want to congratulate those students who contributed to the success of the many activities. While these are important, we must never forget that the activities are "secondary" to the total school program. Good Luck to all!

*Music*

In only five years Jefferson has become known throughout the state for its exceptional musical and dramatic productions. The fun of planning and rehearsals is only surpassed by the enthusiasm of the audience.

Tryouts for the spring musical, "The King and I," attract many hopeful choir members.

## Jefferson Concert Choir

Mr. Torrence Carlson guided the Concert Choir through a year of successful performances, including the annual Fall Concert, "Amahl and the Night Visitors," and an inspiring presentation of Handel's "Hallelujah Chorus." "The King and I" and a tour to St. Louis climaxed a memorable year.

Many exciting moments were spent as the band supported our winning football and basketball teams. Other activities included the Christmas and Winter Concerts, the Band Carnival, and the trip to Chicago.

## Jefferson Orchestra

This year, under the direction of Dallas Tjaden, the Jefferson Orchestra has had one of its finest years. This was borne out by the fact that several members were chosen to play in the All-State Orchestra. Highlights of the year included the Fall Pops Concert, the Winter Concert, and Jefferson's musical presentation, "The King and I."

## A.F.S. Students

Linda McDowell was Jefferson's American Field Service student to Messina, Sicily.

Her Comments: Under the A.F.S. program I was able to understand how foreigners live and how they feel about Americans. Some of their ideas of us aren't very flattering, so I tried to change them as much as possible. Every person I met, especially the Italians and the Sicilians were so openly warm and friendly that I immediately liked them. It is rather poor, dry, and rocky but the people were very nice.

Jon Cecil, Rui's American brother, introduces him to John Stelpflug.

"I never thought that America was so exciting and beautiful like it is really. I am impressed with almost everything in general, but what most impressed me was to find a so wonderful school like Jefferson. The AFS exchange program is very good because we can see that America isn't just black Jackets and bad boys. I already got lots of friends here, and I hope to get more before I go back. Thanks a lot all my friends and teachers from Jefferson."

RUI MATEUS

Don introduces Hiroshi to a popular American drink.

"Coming to the United States! It was my best dream. When I knew that I would be able to come to the United States, I was so overjoyed that I could scarcely believe it. But, at first, I was a little afraid to live in your country far from my native country, but now I find that you, Americans, are really nice and friendly and I don't have even the slightest fear to live in your country. I love you as well as I love my Japanese family and friends. You are an American and I am a Japanese, but there is no difference in our mind. We should walk together. Isn't this the first step of peace? Come to Japan! And find how Japanese love you!"

Early in November, 1960, fifty underclassmen met in room 118 and dedicated themselves to a winning football season in 1961. Throughout the next year they worked with a dedication which was to become a tradition at Jefferson.

Thirty boys reported in August and began strenuous (two a day) workouts, so that by the first game they were ready to meet highly rated Moline. Even though they lost the first game, everyone knew that Jefferson had finally become more than a doormat.

Following a narrow victory over Dubuque and a loss to number one rated Iowa City, Jefferson started a winning streak that was to send them into contention for the state championship. The winning streak was highlighted by a victory over cross-town rival Washington.

## Game Highlights

### MOLINE

Moline came to Cedar Rapids rated a dream team. Four of their linemen weighed 220 pounds or more, and their fullback weighed 211 pounds. Jefferson played Moline on even terms, but a wide extra point made the difference. Jefferson's play was so outstanding that they were rated number one in the Des Moines REGISTER Poll.

### DUBUQUE

Jefferson's first road test was played in a steady downpour of rain. This and poor timing on the J-Hawks part accounted for ten fumbles and a low score. Dubuque recovered eight of the ten fumbles, but were still unable to score. Jefferson's defense held them inside their own four yard line three times. Gary Schirm's miraculous tackle of Dubuque guard Davis on the four-yard line saved the game.

### IOWA CITY

The state champion Little Hawks, rated number one in Iowa, faced Jefferson and proved they deserved their rating by defeating a determined J-Hawk team. Dave Long's brilliant passing attack nearly provided the ingredients for an upset. Jefferson had a bad break when Long threw a pass to Joe Knutson, and he crashed into the goal post after holding it for a step.

### EAST MOLINE

Jefferson began their winning streak at the expense of East Moline. There was little doubt about the outcome of the game as the J-Hawks moved the opening kick off to a score. Tom Knutson was outstanding on offense as he scored three touchdowns. East Moline's only score came on a 90 yard run by their quarterback, Hurd.

## WASHINGTON

The biggest game of the year for Cedar Rapids Washington and Jefferson attracted a record crowd of nearly 12,000 who watched Jefferson sweep to victory in sophomore and varsity cross-country, and sophomore and varsity football.

Dave Long's daring passes and Tom Knutson's consistent gains were too much for the undefeated Warriors. Jefferson's offense and defense showed a spirit that was to carry them through the rest of the season undefeated.

**COACH'S COMMENT:** The 1961 squad was serious about football and the other tasks associated with school. The coaching staff is proud of these boys, not only as football players, but also as fine Jefferson students.

Mihal rolls to victory.

Three-time state champion Mel Wieland presents the state trophy to Mr. Williams.

Sophomore, Don Berger.

"At the end of the 1961 season and again at the beginning of the 1962 season, a group of determined boys said 'We are going to win the State Title.' They put their words into action. It wasn't just the seven boys who went to state or those that won the district meet. It was Rick Laird, Doug Hammill, Dave DerHammer, Steve Sutliff, to name a few who were largely responsible for MAKING the team. They too are champions.

"Special recognition must be given to our seniors: Captains and state champions Mel Wieland and Cal Jenkins. Phil Long, who in his match with Davenport Central, provided the spark that carried us through an undefeated season. Dick Brown, who came back after a mid-season operation to win third in district. Gene Mihal and Bill Armitage, neither would back down, even when the odds were against them. And Ron Clark, the Falstaff of the squad. He had one of the toughest weights in the state and yet he was able to clown enough to relieve the tension in the championship drive and also win fourth in the state."

Fighting J-Hawks.

Out of my way!

Our 61-62 cagers placed second in the Valley Conference with a 19-4 record, the best in Jefferson's history. One of the main factors behind this fine record was Coach Gay Dahn, Valley Coach of the Year, and his assistants Bob Noonan, LuVern Sauerbry, and Bob Allen.

The "starting five" seniors--Dick Schley, Larry Coufal, Dave Long, Sid Wingfield, and Dennis Usher--led the team with spirit and determination. They had strong support from Joe Knutson, Tom Knutson, and Tom Prescott.

Jefferson's first state track championship was the result of a well balanced team and the desire of the team members to win. Coach Ask made special note at the awards assembly of the difficult training restrictions the boys imposed upon themselves.

The J-Hawks took first in every dual, triangular and quadrangular meet they entered. They also made outstanding showing at the Cornell, Teachers, and Drake relays. The first place in the Mile Medley at the Drake Relays was one of the highlights of the season.
