...leading actors in the play of
education caught in the instant
clicking of the shutter...
...remembered most in duties
outside of the usual, responding
to "what's happening" now...
the innovators of action...

Images of students flood
the camera's lens...
In every movement we are watched for
a sign of uniqueness...
a display of talent or beauty...
we are the focal point of the camera
and the future.

We are exposed in a vulnerable area -- sports.

The camera cannot lie, but points out vividly defeats and victories.

Beyond the human elements

the images of walls, ceilings,
floors, desks, and chalkboards do
not escape us
but are ever-present reminders
of permanence.

The Impossible Dream

Homecoming began with the nomination of 17 senior girls. Each girl was escorted by a football letterman at the pep assembly.

Five finalists were selected October 6th during the homecoming assembly. They were announced by Student Council President, Dave Heefner. Their escorts included: John Van-Deest, representing tennis; Larry Kuenzi, representing basketball; Dave Dyrland, representing track; Don Lorenzen, representing baseball; and Chuck Haynor, representing golf.

Faculty and Academics

Mr. Senne Named Assistant Principal

Chief administrator, Mr. Paxson, is responsible for a smoothly coordinated high school.

Mr. Paxson has served at Jefferson since 1957. A few of his numerous responsibilities are the hiring of the faculty, tending to their requests, and presiding at the monthly faculty meetings. His summer is spent planning student schedules and teacher assignments. Mr. Paxson has been a member of both the Iowa and National Associations of Secondary Principals for thirty years. He has also been named a life-long member of the National Education Association of which he has been a member for sixteen years.

Mr. Jack Graham, assistant principal, has his BA from Muskingum and his MA from Western Reserve University.

Mr. Senne is new at Jefferson this year. He has received his BA from Central College and his MA from the State University of Iowa.

Mr. Shipman Joins Counseling Staff

The counseling staff at Jefferson assists the students with many decisions and activities. They help fill out schedules, job applications and scholarship forms. The counselor's office also keeps a complete stock of information on vocational-technical schools, trade schools, and colleges.

(Left) Mrs. Conard aids students with various forms and assists the four counselors as a receptionist. (Above) Miss Masha talks with a junior about her senior class schedule.

The Language Arts Department attempts to challenge the interests of its diverse student body by offering a widely varied curriculum. Courses are designed to fit the needs of students whose life interests may vary from those planning to enter vocational or technical careers to those who envision a career in creative writing. Many modern audio-visual aids add interest and value to class work. A new curriculum of electives is to be offered to seniors next year thereby enabling students to choose courses of particular interest to them.

The Language Arts Department is particularly proud of its high school newspaper and the paper back bookstore. The Outlook received an All American Honor Rating from the National Scholastic Press Association for the second consecutive year. The high school book store carries over 850 titles and is both a center for browsing and a source for titles for class work and leisure time reading.

The music department started the year with the annual "Pops" Concert. This program gave Jeff an opportunity to meet the two new members of the music faculty. Mr. Allen Keopke, the new choir director, came to us from Clear Lake, Iowa. Mr. John Hoffman came to Jeff from Wilson Jr. High to take leadership of the orchestra. Working individually and jointly the music department had a busy but rewarding year.

Languages Stressed

Parlez-vous francais? Sprechen Sie Deutsch? Habla usted espanol? Speaking a modern foreign language is one of the four major skills to be acquired by a student during a four-year program available in French, German and Spanish. Inseparable from speaking is the skill of comprehension of the spoken language. In much the way he learned his native English, the student at the first level of language study begins without any written guides. After having mastered the material audio-lingually, the student then begins to

acquire the skills of reading and writing. As this process places emphasis on reading and writing primarily in levels three and four, the college-bound student should place his schedule so that he may work in four years of uninterrupted language, the culture of different countries using the language is an integral part of language study. Slides, films, photographs, maps, recorded tapes, and records all contribute to advancing the student, as do student practice records and the twenty-eight position language laboratory.

Safety Plus Responsibilities

The Driver Education Department at Jefferson has the responsibility to properly build the new driving habits, skills, and attitudes of the students that enroll in our course. The course has three phases which encompass the classroom work on a number of important topics including the Laws of Nature and building good traffic citizenship. Since there are now over 98 million cars in the United States, and more added each day, it is important that all students learn their traffic responsibilities well. The second phase is the simulator phase where students learn basic fundamentals and defensive driving tactics to prepare them to meet traffic responsibilities in the car. The third and most enjoyable part to most students is the behind-the-wheel driving. Students here encounter almost all types of traffic problems from the basic procedures for turns at intersections through traffic driving and highway driving and passing. Research has shown that there is a significant reduction in accidents and traffic violations for those who take the course. The more that a student learns in this course, the better his chances of survival in today's complex traffic patterns.

New Tenth Grade American Studies Course

Russell Daniels BA Coe College MA State University of Iowa

Dennis Ellertson BA University of Iowa MA University of Iowa

The new tenth grade American Studies course is entitled "Twentieth Century U.S.A." and is the third and final segment of a three year American History sequence. The course is structured around four so-called "depth studies". The topics represent the basic components of "history" — the political-governmental side, the economic, the social-cultural, and the international or foreign affairs realm. Each study represents a quarter of the year's endeavor, and each is analyzed in depth as the name implies.

The eleventh grade World Cultures classes have depth studies of each of several Western and nonwestern cultures in terms of basic political, economic, and social human activities, with an analysis in the perspective of geography and history.

Comparative Government for eleventh and twelfth grade emphasizes the functioning and structure of our government and contrasts it with other contempory systems and the ideologies on which they are based.

An elective course, called Comparative Economic Systems, deals with man in his attack on the problem of scarcity and economic relationships on the local, state, national, and international scenes.

Problems of Government, an elective in the eleventh and twelfth grades, deals with major political government and related problems fading Twentieth Century America.

Even Mr. Hidinger finds Geometry puzzling at times.

Rick Smith, Graham Evans, and Jim Lee comprised the team that represented Jefferson School in the National Mathematics Contest. They received this honor because they made the three best scores among Jefferson students in a mathematics test that was given March 12. On that day seventy of our students assembled at 8 A.M. and spent the next eighty minutes taking the test. This contest represented the extra activity of the Mathematics Department for the year. The day to day mathematics program is adjusted to a large group of students with wide interests.

The minimum program is primarily for those who want or need the fundamentals of arithmetic as used daily. Others elect to take the amount required for college entrance. In the maximum program students study mathematics every semester and are well prepared to continue in this field in college. Usually they plan some specialized training. The demand for such training is increasing yearly for both men and women. These students find mathematics interesting and like to do original thinking.

Science Offers a Variety of Stimulating Courses

The science department offers the student a variety of courses: Biology, Chemistry, Physics, and Physical Science. Biology classes study the process of life starting with simple forms of life and progressing to mammals. The composition, properties, and reactions of the elements are dealt with in Chemistry classes. Physics is concerned with the physical properties of matter, while Physical Science teaches the student theories that will be helpful in his daily life.

Labs and visual aids add a spark of variety to the classroom and help the students to comprehend basic theories and formulas.

Mr. Cameron uses the overhead projector to help explain a problem to his class.

Textbook readings are a part of the courses and serve as a basic reference and stepping stone.

The girl's physical education department offers a diversified program of physical activities for the girls at Jefferson High. There are activities to suit the likes and needs of the individual girl. Emphasis is placed on the individual's choice of activities but there are some requirements by the Board of Education. The requirements include two units of swimming, one unit of first aid and one unit of dance. A unit is for nine weeks. The further requirement of two units of team sports and two units of individual sports during the three years at Jefferson. Also there are four units of electives affording each girl a balanced program of physical activity.

Activities offered in the category of team sports are: speedball, field hockey, touch football, volleyball, basketball, and softball. Individual sports are: dancing, gymnastics and recreational games.

Industrial Arts Offers Many Courses to Interested Students

Industrial Arts at Jefferson is designed to meet the needs and interests of the students. The department offers a selection of general to advanced courses in drafting, graphic arts, wood technology, metalwork, auto mechanics, machine shop, and electronics. The student learns many ramifications of industry: the tools, materials, and processes; along with industrial science and invention; the means that industry uses in producing goods and services; the

social and economic contributions of industry; and the development of hand and mind coordination so necessary in developing a well rounded individual.

Mr. Robert Thompson was appointed chairman of the Industrial Arts Department in the fall. Mr. Earl Klinzman, who formerly taught physical education here at Jefferson, is now teaching drafting. Mr. Stoltenberg transferred from the Industrial Arts Staff to the Trade and Industry Staff.

Tearing down and reassembling tools and machines are a part of industrial arts classes.

Sometimes the classwork results in a challenge to the students' mothers.

Library and Office Workers Assist Students

Head librarian Mrs. Larson is assisted by Mrs. Paxton and Miss Nagel.

The women who work in the library and office at Jefferson High School are very helpful and essential to the needs of the students and faculty. Without these people, the school would not be able to function properly. The library is well supplied with reference materials, leisure reading materials, and magazines. It is the duty of the librarian to keep these in order. The office personnel serve the school in many ways such as taking attendance, doing the bookkeeping, and assisting the students in various other ways.

The helpful office staff is as follows, from left to right: Mrs. Kounty, Mrs. Koss, Mrs. Reifschneider, Mrs. Ryan, and Mrs. Ribble.

GRA visits Girls State Basketball Tournament in Des Moines.

GRA offers the girls at Jefferson an opportunity to compete in sports with each other. Each girl is required to pay a dollar membership fee for the year and after paying her fee she is entitled to join in any club activity. This year the girls once again attended the Girl's State Tournament in Des Moines. An overnight was held in May and the awards were presented at this time to the girls who had attended 75% of the meetings.

This year the Dollfinettes attended many swim clinics and even participated in a few swim meets. Mrs. Lane and Mrs. Dyal co-sponsored Dollfinettes this year. The girls also held a party for the Jeff swim team after one of their afternoon meets. The Dollfinettes were led this year by officers Vicki Talbott, president, Dawn Voelker, vice-president, Sheryl Elliot, secretary, and Linda Tack, publicity chairman.

The library helpers play an important role in the Jefferson library. The library workers are trained in the basics of library operations. They help the regular librarians shelve books, write overdue notices, type, file, work at the charging desk, check passes, and help process new books. These students help to relieve the regular librarians of these tasks so that they can accomplish the more important work of ordering new books to replace

old ones, lost ones, and books which they think would be good reading material for Jefferson students. Although library work is usually quiet and calm, it gets quite hectic at the times when all books must be in and all fines paid before the students receive their report cards. The library helpers volunteer their services during their study halls, before school and after school.

The office helpers play an important role in the main office, nurse's office and counselors' office. They assist in general office work, run errands, pick up attendance slips, deliver messages, and stuff mail boxes. The girls in the counselors' office take notices from the counselors to the students. The girls who help in the nurse's office assists students who become ill at school and register each individual who comes into the office. These girls help in the offices during their study halls, usually alternating with gym class.

Jefferson Student Council in action

Officers-Mark Tschopp, Dave Heefner, Joanne Kotaska, Connie Fifield.

The 1967-68 Student Council is proving to be one of the best Councils ever. The Council started the year off by staging the best homecoming Jefferson has ever seen. The festivities began with the nomination of homecoming queen candidates and ended with the crowning and a dance. The Council also sent the letter protesting the future seating at Jeff-Wash football games and got the rule reversed to the former way of seating. The Council sponsored an after-the-game dance during February. The large size of the Council seemed to have no effect on the efficiency of the Council as it did a splendid job for Jefferson this year.

Under a new faculty advisor, Mrs. Shackford, the bookstore is run much like the past eight years. Our bookstore holds a high educational value in the fact that it carries books which are aimed at helping the student with his outside school work. Although the ordering, checking, displaying, and returning process is much the same this year as in the past, the staff is compiling a booklist of every book in the store, which will help students and teachers in selecting their books. Along with being an educational asset to the school, there is also enjoyment for those who like to read. The bookstore staff welcomes everyone whether they want to buy a book or just browse.

FTA Initiates Cadet Teaching

The most outstanding program this year for our future teachers was the newly orientated cadet teaching. The purpose behind this program was to give the students a look at what a teacher's duties are. The program was very successful this past year in helping students decide about their future as a teacher. FTA welcomes all students who think they are interested in teaching. One of the highlights of the club was their trip to the University of Northern Iowa. This trip gives the students a chance to look at college facilities and talk to the college teachers. Also Mrs. Luzuriga showed her slides of Spain, proving that the teaching profession opens many doors to the future. The officers of FTA were: President, Sally Meeks, vice-president, Dilyn Ledvina, Secretary and Treasure, Judy Matosek, Historian.

The main goal presented in FBLA is to get the students acquainted with business and to develop leadership. The highlights of this year included after school field trips to city hall and Link-Belt-Speeder. Our February meeting included a trip through the telephone company and an explanation of the Office Ed and Data Processing programs. A very special meeting was held in January in which we had as our guest speaker Mr. Richard Todd. who teaches at an all girls school in Uganda, Africa. On March 30, we took our annual out-of-town tour to Chicago. Our annual candy sale netted us \$900, which was used to finance this trip. For the club's community service project this year, we gave a family a Christmas. Club members were asked to donate clothing, games, and food. This was taken to the family a few days before Christmas. The officers this year were; Diana Stolte, president, Kathy Boardman, vice-president, Lorna Rocarek, secretary, Sue Sova, treasurer, Carmen Mrkvicka, reporter, and Monica Morehead, historian.

Walking is good exercise so they say. All right girls, let's all get in shape. Join the usher's club. The girls in usher's club usher at all fine arts presentations. The only requirement is that all members usher at least once during the year. The girls have a chance to see the performances and also get to meet the general public. They have a lot of fun and get in shape besides.

Many guests are welcome at special meetings.

Any Jefferson girl might be interested in the Future Homemakers of America Club. Through this club many of the homemakers duties are emphasized and worked on through club projects. This year there are three main goals to be carried out. As a group the club will be engaged in providing services for others, including soldiers, orphans, and the elderly besides their own families and friends. Visiting speakers will also spark regular meetings. A new service is being planned this year in that cookies will be sent to our soldiers in Vietnam. The girls will also hold a clothing drive for the orphans. In order to make the club more successful the girls have become more organized so the responsibility for planning and carrying out each activity will be equally shared by all. The special goals set forth this year were to promote FHA ideals in our nation, community and in our individual lives. The members were led by president Sally Meeks, vice president Florenda Boynton, secretary Linda Howke and treasurer Sharon Gibney.

JOHN BLESSMAN: Tri Captain and team leader, was named for many post season honors. John was selected a two way performer on the All-City squad, recognized as a two way performer in the All-Conference voting, and the IDPA named John to its First team All-State offensive squad. The powerful guard was also named to the Des Moines Register All-State eleven. His biggest recognition came when he was named an All-American, recognizing him as one of the best one hundred players in the nation.

TOM MULLIN: Junior end was named to a First team selections in the All-City balloting, a First team berth in the All-Conterence voting, and was picked to a First team selection for the All-State team by the IDPA. He was regulated to a second team berth by the Des Moines Register.

All-City and All-Valley Quarterback Ron Heidt receives final instructions from Coach Fisk. Ron led the Valley in Individual Passing with 57 completions out of 115 attempts for a total of 765 yards and 6 touchdowns.

Roll over Rocks; 19-0

Jeff, eager to continue its winning streak, traveled to Rock Island in the season opener. The gridders combined a stern defense and a scrambling offense to down the Rocks, 19-0. Ron Heidt was the big gun for the offense. He scored two times by himself on runs of 1 yard and 23 yards. He tossed the first of his many scoring passes to Tom Mullin. This one traveled 64 yards. Doug Lane added the lone conversion to end the scoring. This contest showed that the J-Hawks were capable of defending their share of the Mississippi Valley title

Jeff Stop EM 53-0; Clinton Falls 14-12

Mississippi Valley's leading scorer, Gary Benson, tallies one of his 5 touchdowns for the night. Gary ended the season with 15 touchdowns for a total of 91 points.

Rams, 41-14 Victims

Dubuque invaded Kingston Stadium for the J-Hawk homecoming. Jeff first took the kick-off and Gary Benson scored on a 55 yard end run. Benson added two more scores for the night, as he scampered 27 and 38 yards for paydirt. Fullback Tom Fontana, plunged 5 yards for six points and scatback. Les Rogers took a Gary Martin screen pass and rambled 47 yards for a score. Jeff's total offense gained 406 yards, as they rolled up 300 yards on the ground and the passing of Ron Heidt and Martin added 106 more, via the airways. Dave Wilkey, Martin, Clark Malmer, and John Blessman limited the Ram offense to 214 yards.

East Moline came to town in hopes of ending Jeff's winning streak. Gary Benson led the gridders, as he scored three times. His first was a 37 yard pass from Heidt, a 52 yard scamper, and a 6 yard run. Mark Tschopp caught a 11 yard touchdown from Heidt and Pete Brejcha also caught a 22 yarder for a score. Tom Fontana scored from the 11 and Rick Fulton plunged over from the one for six points.

Jeff's winning streak nearly perished at Clinton, as the J-Hawks held on for a 14-12 victory. A missed field goal attempt by Clinton in the last 10 seconds from inside our 10 yard line spelled out defeat for the River Kings. Jeff first scored in the first quarter, when Gary Benson scored from the 5 yard line. Ron Heidt next ran 7 yards for a score. Doug Lane's two extra points made the difference for the victory. The J-Hawks showed once again, "When the going gets tough, the tough get going."

Speedster Les Rogers takes a screen pass from reserve quarterback Gary Martin and rambles 47 yards for paydirt.

Senior Mark Tschopp receives a pass from Heidt for a long gainer against Dubuque. Mark finished the season with 12 passes for 147 yards.

Halfback Gary Benson finds the going tough against the Washington line.

String Ends at 37

Jeff's 37 game winning streak ended as the Washington Warriors scored a 34-14 victory over the J-Hawks. Jeff went into the dressing room trailing 21-14 as scores came from a 66 yard Ron Heidt to Tom Mullin pass, a Gary Benson plunge, and Doug Lane's two extra points. The gridders couldn't generate another scoring drive as we were beset with penalties and injuries to key players in the second half. Jeff had the edge in the statistics as we led in total offense, passing, and total number of offensive plays run.

Jeff Starts New Streak

The team dedicated the West Waterloo game to Gary Martin, who was injured in the Washington contest and was lost for the remaining season with a knee injury. The J-Hawks responded and trounced the Wa-Hawks 41-14. Jeff dominated everything, as Tom Fontana led the charge scoring three times. He had runs of 1, 10, and another 1 yarder. Ron Heidt tossed a 4 yard scoring strike to Tom Mullin. Gary Benson scored on a 1 yard plunge and Dave Wilkey raced 30 yards for six. The patented defense allowed only 255 yards total offense for West, while the J-Hawk offense cracked out 467 yards. The J-Hawks were on their way to start a new winning streak.

Halfback Pete Brejcha follows the blocking of Tom Fontana and Ron Pierce, for a short gain against Washington.

Most Valuable Defensive Back, Dave Wilkey, steps in and knocks down an intended Waterloo pass.

The cheerleaders presented the coaches with new ties in which to start out a new winning streak.

Jeff Snow-Plows Through Kennedy; 27-6

The J-Hawks met the Cougars in an October blizzard at Kingston Stadium and came out on top with a 27-6 win. Jeff first opened the scoring, when fullback Tom Fontana slid over from the 8 yard line. Quarterback Ron Heidt added the first of his two scores, when he plunged over from the 1 yard marker and a 8 yard scamper to put the score to 20-0. Scatback Gary Benson added a 3 yard run to complete the Jeff scoring. Kennedy managed its only TD when Hines recovered a loose ball in the Jeff end zone. Several times Don Jacobson's booming punts put the Cougars deep in their own territory.

Defense Wades Through Mud in a 29-6 Victory

In a "mudfest" at Kingston Stadium, the Little Hawks came to end Jeff's newly born winning streak. The gridders, eager to continue their winning ways, were not to be denied another win. Pete Brejcha, Ed Kimbro, Gary Benson, and Les Rogers all scored for Jeff, while Doug Lane added 3 extra points. The defense chipped in and recorded a safety to make the final score 29-6. Again, Don Jacobson helped out the cause with his booming punts, to put the enemy back in their own territory.

Ken Stewart award winner Mike Cole, stops an Iowa City runner for a short gain.

No matter what the weather might have been, Jeff's "defense gang" was always throwing their opponents for loses.

J-Hawks Romp in Finale; 46-7

Tri-captain Tom Fontana drives through the Falcon line for valuable yardage.

Jeff finished the Mississippi Valley campaign in high style by blasting the Falcon's, 46-7. Again Gary Benson led the gridders, as he scored 4 times on 1 and 2 yard plunges. He added a 7 yarder and then electrified the crowd as he scampered 68 yards with some fancy manuvering. Fullback Tom Fontana showed his excellent inside work as he added 3 scores to his credit on 3, 4, and 5 yard plunges. Garry Birkicht picked off a Falcon pass and aided by some excellent blocks went 23 yards for six. The J-Hawk defense held the Falcons to just 38 yards rushing and 47 offensive plays while the J-Hawks ran up 447 yards total offense.

J-Hawk Junior Varsity Finishes Strong

The J-Hawk junior varsity finished a rain abbreviated season with a 3 win 1 loss record. Their only defeat coming at the hands of cross-town rival Washington, and two last quarter touchdowns, 12-6. But they then rebounded to defeat the other city-rival, Kennedy 19-6. Then the junior J-Hawks, still smarting from the close call with the Clinton varsity the night before, whipped the River J. V's 26 to 6. They out gained the Clinton eleven 375 to 25 in total yards gained. The junior varsity finished off the season by downing the Iowa City J.V's 19 to 6.

The Jefferson sophomore compiled a record of 4 wins and 5 losses. The team found rough going the first three games, losing to Rock Island; 26-20, East Moline; 7-6, and to Clinton; 7-6.

But then the sophs seemed of age on a mud covered field against Dubuque. Dennis Clift, opened the J-Hawk scoring with a 90 yard kick-off return. The sophs came away with a 25-0 victory and mud saturated uniforms. The victory was the first for the sophs wearing the "Big Blue", set off a mad struggle by a mass of humanity to ring the victory bell. They finished triumphantly.

The young J-Hawk then lost to Washington; 27-7, defeated West Waterloo; 20-13, and lost to Kennedy; 13-0. They ended the season winning their last two games; 21-6 over Iowa City, and to Davenport West; 27-26.

Steve Sadler, above, was the workhorse for the sophs carrying the ball 137 times for 548 yards. Sadler was aided in the last game by Doug Keown, below, who rushed for over 100 yards in both games.

Tankers Complete Successful Season

Vic Konecny led the J-Hawks at the state meet by capturing a second in diving competition. $\,$

Wayne Melsha represented the J-Hawks in the 200 and the 400 yard freestyle at the state meet.

Jim Moneypenny, Don Lerch, Tim Hood, and Jack Spear went to the state meet as the 400-yard freestyle relay team.

The J-Hawk Swim Team finished the season with a 5-10 overall record. Coach Voss completed his first year by taking seven swimmers to the state meet. Vic Konecny took a second place at the state meet and was one of the outstanding J-Hawk swimmers throughout the year. Wayne Melsha, Glenn Prochaska, and the 400-yard freestyle relay team also represented the J-Hawks at the state swimming meet.

Rebuilding Year for Coach and Cagers

Senior Captain Larry Kuenzi passes in an intra-city battle against Washington. Larry was voted Honorable Mention in the All-City voting. Kuenzi showed his senior leadership as he was floor general for the J-Hawks.

Mark Tschopp, senior, grabs another rebound to lead the J-Hawks in this category. Tschopp was voted Honorable Mention for both the All-City and All-Valley teams. Mark was also chosen "Most Valuable Player" and "Best Defensive Player" for the J-Hawk sound

Junior Larry Wade shots over his Clinton opponent. Larry was the only cager from Jeff to make an All-City squad. He was voted to the second team. Wade was chosen by his fellow teammates as the "Best Practice Player."

Valuable rebounding and needed points were contributed by junior Tom Mullin.

Speedy junior Tom Ferguson helped in the signal calling. Ball handling and needed points were valuable during the season.

Mark Tschopp jumps ball against Cedar Rapids Kennedy.

FRONT ROW (l. to r.): Joe Cmelik, Bill Neal, Larry Kuenzi, Tom Ferguson, Steve Peterman, Dennis Trachta, Greg Kilipatrick, Dave Shriver. Coach Keith Wall, and Manager, Doug Josifek.

Pre-season rating was second to Moline: Jefferson's new basketball coach, Jim Lockett, faced the task of rebuilding a team which rolled through 25 games a year ago enroute to the AA State Championship. The J-Hawks high ranking came as somewhat of a surprise as they had only two lettermen back and neither were regulars the previous year.

Jeff opened the season against non-conference foe Washington, Iowa. The J-Hawks defeated the Demons by the score of 100-85. This made the 22nd consecutive win in a row for Jeff, starting back in 1967 against Clinton.

The J-Hawks were handed a 78-60 loss by the Little Hawks of Iowa City. The Little Hawks stopped the 22 game winning streak for the J-Hawks.

It took the sixth ranked Dubuque Rams an overtime to nip a determined J-Hawk basketball team 67-66. Dubuque sank two free throws with ten seconds to play giving Dubuque a 67-64 lead, one we couldn't overcome.

The J-Hawks lost in another thriller to Mississippi Valley foe Clinton 60-57. With a minute and forty seconds left the J-Hawks were ahead 57-50, but then things began to happen as the River Kings scored ten consecutive points to Jeff's none, to win by three.

The J-Hawks battled through one of the best basketball games of the season, with the Warriors skinning through to win 64-62. Washington made two free throws and Jeff made one to make the score 63-60. Jeff got the ball on a jump ball and made its last field goal before the game ended.

Jeff handed C.R. Kennedy its 16th consecutive loss and the second J-Hawk victory over the Cougars. A total of 57 fouls were called. We took command in the fourth quarter forcing Kennedy into bad shots and fouling to get the ball. The final score was 71-49.

Jeff lost another close one against Dubuque, the state's number four ranked team and leader of the Mississippi Valley Conference, 74-66.

The J-Hawks had one of their worse games of the season as they lost 88-54, to the Falcons of West Davenport.

Jeff lost its second game of the season to the Clinton River Kings in overtime by the score of 64-62. The turning point in the game seemed to lie in the hands of the referee's call of "blocking" by a Jeff player.

Jeff lost their last game of the season to the hands of Davenport Central. A lot of experience and height enabled the Blue Devils to defeat the J-Hawks.

Defending Class AA champion C. R. Jefferson was eliminated from the state basketball tournament by C. R. LaSalle 67-63.

With another year of experience, these future J-Hawks should be tough next year.

Reserves Play Key Role

Junior guard Steve Peterman came through with many clutch shots when the J-Hawks needed them. Peterman was chosen the "Most Improved Player" for the squad this year.

Dave Erusha, junior forward, shoots against tourney opponent La Salle.

Senior Bill Neal displays some good defense against Mississippi Valley Foes.

Greg "Red" Kilpatrick, senior guard, drives around his opponent. Red gave the J-Hawks the scoring punch when it was needed.

J-Hawks Receive Special Honors

This year the J-Hawks took their beatings from several opponents. Although the J-Hawks finished 4-15, their opponents still held their respect. Jeff lost to Dubuque, the eventual Mississippi Valley Conference champion by the score of 74-66 and 67-66 in an overtime. Jeff lost two close ones to Clinton by the scores of 60-57 and 64-62 in an overtime. Although the J-Hawks lost 15 games, they lost 7 of those games by only a total of 44 points. Jeff's competition was not the easiest either as Jeff played the number second, third, fourth, sixth, ninth and tenth teams in the state rankings. Of the twelve boys on the traveling squad, ten of them had started at one time or another during the season. Next year's team will have a total of twelve juniors coming back for the J-Hawks cause. With a lot of hard work this summer by these boys and some of the sophomores next season could be quite a success. We are all sure that the coaching of Coach Jim Lockett and Coach Wall will help the boys become a success next year.

Junior Varsity End Season 9-5

The Junior Varsity, under the coaching of Assistant Coach Keith Wall, compiled a 9-5 record. The J-Hawks were led by high scoring juniors: Steve Peterman, Walt Steggell, Denny Trachta, Norb Sedlak, and Dave Erusha. All five boys averaged over ten points for the J-Hawks. The J-Hawks went over the one hundred mark two times. The high-light for the junior varsity was a victory over cross-town rival C. R. Washington 86-61.

Fourth place state winner - Bob Shaffer.

Dennis Burke is set for a take-down against arch-rival Washington.

Bob Shaffer compiled a 23-3-0 record enroute to his sectional and district titles, finally finishing fourth in the state at 95 pounds. Bob was voted most valuable wrestler by his teammates and was chosen best wrestler in the metro area by the Cedar Rapids Wrestling Club.

Dennis Burke won the sectional title at 127 and gained a berth in the state meet at that weight. Dennis finished the season with a 15-4-2 record.

The J-Hawk grapplers fell four points shy of upsetting their cross-town rival in their second meeting of the season.

Gable Highlights Gymnastics Season

(l. tor.) Bill Murphy, Mike Davies, Dean Spina, Dave McCright, Gene Angell, Mike Glick, Denny Gable, John Bjornson.

The J-Hawks gymnasts, led by junior Denny Gable, ended their season with a fourth place in state competition and a 1-8 overall record. Gable captured first in the high bar, second in the parallel bars, and third in the still rings at the state meet to lead the J-Hawks. Mike Glick added to the J-Hawk's team score by taking a fourth in the sidehorse.

Next year Coach Novak is hoping for an even better score with everyone returning except Senior Gary Benson.

All-American Doug Lane

All-American Doug Lane broke every shot-put record in J-Hawk history. As a sophomore, Lane set a record in every meet he competed in. Lane became the National Shot-put leader as a sophomore, with a toss of 62'-1114''. In his junior year, Lane progressed toward the 70 foot mark, winning his second state and valley shot-put titles. Again Lane held the National Shot-put record. He finally achieved his goal in his senior year, by throwing the shot 70'-111/2". Lane then became second in the Track and Field News all-time prep list. The 1968 spring record wasn't outstanding, but there were several highlights that made up for the record. In the third encounter with Wash, the Warriors needed a victory to wrap up the conference title. Jeff lived up to their motto "When the going gets tough, the tough get going", by earning a 3-2 win. Wash's coupled with West Davenport's win over Central, knocked the Warriors out of title contention. This was the second win over them as Jeff previously scored a 3-1 decision.

Finally the pieces locked together and the nine won 5 out of the last 7 games, including two wins over Wash, and one win over Kennedy.

Mark Tschopp was the leading hitter with a .325 average. George Zulakis was the next with a .288 average. Right fielder Duane Usher, led the team in fielding average with a perfect 1.000 average, having no errors all season.

Although the team got off rather slowly, more hustle and desire led the J-Hawks back on the winning track in true J-Hawk tradition.

Coach Bredeson and Coach Ridder discuss their next strategy moves.

Performing Arts

Highlighting The Drama Season

The 1967-68 year for the Dramatics Department included six productions and a State Thespian Convention. The first production of the year was "Pegora the Witch," presented for the Children's Theatre, followed closely by "Arsenic and Old Lace," the major fall play. A section from "The Madwoman of Challot" was presented at Washington for their play festival. Moliere's "The Prodigious Snob," was presented as the spring production. Combining with the Concert Choir, the Dramatics Department wound up the year with the musical, "Finian's Rainbow." An unusual highlight of the year was hosting the Iowa State Thespian Convention in March for around 300 people.

Sophomore Tom Shedenhelm, better known as Pelican, masters a shop chore.

Dramatics director, Mr. Robert Geuder (above), directs acting, plans costuming, decides on properties, and supervises hair styles and make-up. Mr. Roger Meeker, technical director (below), designs sets and supervises construction for play productions.

The Iowa State Thespian Conference was held on Saturday, March 16. Thespians throughout Iowa attended the all day affair at which National Secretary-Treasurer, Leon C. Miller, and National Counselor from Iowa, Syble Lamb, were featured. Highlighting the morning were short plays by Waterloo Columbus and Perry High School, Perry, Iowa. In the afternoon Cedar Rapids Kennedy's Thespian Troupe was initiated, followed by a special production of "The Prodigious Snob" by Jeff students.

Pegora Bewitches Children's Theatre

The three imperial wizards (Tom Volz, Mark Roloff, Doug Eoff) offered to guard the king's daughters.

The witches admonish Pegora (Kathy Buehler) for failing to meet the standards of a third class witch.

"Potency of primal powers, paralyze these people now that stand within my sight!"

Queen June (Bonnie Bunker) and King August (Bob Jiroutek) discuss the dilemma of the disappearing daughters.

Pegora, disguised as one of the King's daughters, casts a spell on the number one mathematician (Bryan Schlotfelt) who has been hired to guard the palace.

"Pegora the Witch", presented for the Children's Theatre, is the story of a shy little witch named Pegora, who has failed to meet the standards of a witch. She is commanded by the head witch, Mother Martecloy, to kidnap the King's seven daughters. She succeeds in capturing the first six, but fails to get the seventh. The Jester "saves the day" by masquerading as the seventh daughter. Since Pegora has lost her title, she decides to become a cook in the King's palace, and everyone lives "happily ever after."

Pegora gives up being a witch and retires to the King's palace as the royal cook.

Mother Martecloy (Mary Thompson), chides Pegora.

Murder or Mercy Theme Highlights

"Arsenic and Old Lace"

"Arsenic and Old Lace," by Joseph Kesselring, has held its age well and deserves recognition as one of the true classics of the theatre. It is a product of the time referred to by many as the Golden Age of American drama. This play is the unusual story of two old ladies, Abby and Martha Brewster, who have the merciful habit of helping lonely old men to their end with a glass of poisoned elderberry wine. Their three nephews, who add much to the action, are Teddy, a middle-aged "boy" who believes he is Teddy Roosevelt; Jonathan, a full-time criminal who travels with a plastic surgeon for fast face jobs; and Mortimer, who writes a drama review column for a newspaper. These unusual characters appeared on the Jefferson stage on the evenings of November 16, 17, and 18.

"Pure kindness and absolute generosity . . . those Brewster sisters." Abby and Martha, portrayed by Flora Reed and Pam Watson.

Jonathan (Mark Jamison) and his surgeon, Dr. Einstein (Dennis Gaumon), view Teddy's (Bill Biskup) bugling on San Juan Hill with astonishment.

"Get out of here! Do you want to be poisoned? Do you want to be killed? Do you want to be murdered?" Mortimer (Jay Evers) warns an elderly gentleman to beware of his aunts' poisoned wine.

"Oh, you kind of think he's wanted somewhere? Certainly he's wanted. In Indiana he escaped from the prison for the criminally insane! That's how he was described—he looked like Karloff!"

 \dots with Jonathan and Einstein in prison, Teddy sent to Happy Dale Sanitarium and joined by Aunt Abby and Aunt Martha, and Mortimer planning to get married \dots "You don't see much elderberry wine now days."

Winter Musical Features "Meet Captain Kidd"

One hundred and six students from Girls Chorus, Girls Choir, and Boys Choir, plus Jay Evers from Concert Choir, presented "Meet Captain Kidd" February 1 & 5. The show is about a traditional pirate struggle. Captain Kidd, a pirate, is hunted by the British fleet, and unknown to him, one of his men, Larry Vernon, is a British spy. Kidd finds a map for a hidden treasure and captures the people of a town as hostages while he hunts for it. His worst enemy, Blackbeard, catches him while he hunts for the treasure, but the British fleet arrives, captures the pirates and frees the captives.

Pirate Mike (Jeff Loring) and Juliette (Judy Gooding) dream of the tall pines of a future home in the country.

Larry Vernon (Tom Reifschneider) and Kidd (Jay Evers) question the Doctors Lemuel and Samuel Culpepper (Dennis Meints and Dan Shonka).

Larry and Jeanne Bilodeau (Shelly Lohman) protect Jeanne's father (Rick Larson) as Kidd threatens his life.

Aboard the pirate ship, Kidd's crew lament "A Bachelor's Life".

Slapstick Humor Highlights Spring Play

Moliere's play "The Prodigious Snob", presented March 14, 15 & 16, features the story of Jourdain (Bill Biskup) and his wife (Barb Newport) who suddenly come into wealth. Jourdain decides he must live as the aristocracy does, so he hires several men—a music master (Mark Roloff), a dancing master (Phil Sharp), a fencing master (Jon Steele), and a philosopher (Doug Eoff) to instruct him to be a gentleman.

A subplot of the play involves Jourdain's daughter, Lucinde (Pat Dunn), who is in love with Cleante (Jay Evers), a man of "modest means." However her "cultivated" father wants her to marry into the aristocracy.

The end of the play features a wild initiation ceremony with Turkish dancers (Janie Biederman, Bonnie Bunker, Nena Kedo, and Becky Kessell) when Jourdain is made an honorary mamamouchi in a fictitious Turkish tribe.

The show also features very elaborate costuming typical of the 17th century, including wigs for men, and an intricate thrust stageset to establish a closer contact between the performers and the audience.

Lucinde and Cleonte' lament their situation.

"Snob" Features Comedy Typical of 17th Century

Practicing for the Turkish dance scene are Steve Farmer, a drummer, and two dervishes, Kimm Reed and Marc Jayne.

In a mystical ceremony, Jourdain is entertained by Turkish dancers dervishes and receives the position of a mama mouchi. Above-Dancers Bonnie Bunker, Nena Kedo, and Becky Kessell begin the ceremonies. Below-Jourdain, exhausted by the activities, learns he has earned his rank.

Jourdain endures the initiation ceremonies to become a mama mouchi.

Barb Newport makes one of her frequent appearances as Madame Jourdain, a shrill speaking, overbearing wife, who is typical of nearly all of Moliere's plays. The part is usually the wife of the lead character. She is usually more practical than her husband and unsympathetic with his hairbrained schemes.

Tutoring Monsieur Jourdain in "the vowels" is the philosopher, played by Doug Eoff.

Phil Sharp exemplifies a typical reaction toward traditional pre-show primpings of make-up and wigs as Mr. Robert Geuder, director, supervises.

The lady singer (Peg Adkins) and the composer (Mike Davenport) plot to take advantage of Monsieur Jourdain.

Finian's Rainbow

Left: Valley sharecroppers imagine how things will be on the "great-come-andget-it day." Below: Woody and Sharon share legends of rainbows and the old devil moon

Racial strife and Irish legends, together, formed the theme of "Finian's Rainbow." The play takes place in Rainbow Valley, where a greedy, prejudiced politician Billboard Rawkins (Jay Evers) attempts to steal the sharecroppers land. Luckily, Finian McLonergan (Bob Jiroutek) and Sharon (Bonnie Bunker) his daughter, arrive from Ireland with a stolen pot of gold and momentarily saved the day. However, Og (Mark Roloff) a leprechaun has followed them to get the gold which holds all the magic powers, and without which Ireland's leprechaun's will turn mortal. Sharon falls in love with Woody Mahoney (Dave Dyrland) and his sister, Susan (Sandy Oswald) who cannot talk, but dances her thoughts, falls in love with Og. Other lead parts were played by Dennis Gaumon (Buzz Collins), Bill Biskup (sheriff, and student director), Jerry Enabnit (Henry), Doug Eoff (Mr. Robust) Mr. Shears (Bob Stodola).

T.A.G. Names Finian Best Dramatic Production

"There's nothing wrong with being black, but there is something wrong with the world that he and his kind have made for ya!"

"Fiddle Faddle Foil and Fiddle, help this troubled individdle."

"Oh Sharon, Sharon, look at me now, I'm 90% mortal and 10% leprechaun. . .ah, but you're not Sharon are you? Your Susan."

"Best Actor in a Musical" -- Dave Dyrland

Senator Billboard Rawkins (seated) discovers himself in a position to be strangled by his own loopholes.

"Finian's Rainbow" won seven awards from the Theatre Assistance Guild of Cedar Rapids, in its judging of high school plays. Among the awards were best show, best actor in a musical, best set, and best choreography, plus several honorable mentions. Awards were presented May 31, in a two hour program highlighted by Meredith Willson.

Shears and Robust, from the famous catalog, come to extend credit to Rainbow Valley.

'Madwoman of Chaillot' presented for Warrior Festival

Gabrielle, one of the madwomen of Paris, played by Flo Reed listens intently for the imaginary voices she hears coming from her sewing machine and hot water bottle.

Constance (Bonnie Bunker) fondles the dog which she claims to have with her everywhere she goes.

A cut from the second act of "The Madwoman of Chaillot was the Jeff contribution to the Washington Warrior Play Festival.

The plays presented were not rated but the actors were given an oral criticism by the judges.

"The Madwoman of Chaillot" concerns four madwomen in Paris who gather at tea one afternoon to discuss how to best prevent the destruction of the world.

The madwomen (Bonnie Bunker, Pam Watson, Flo Reed) discuss ways to prevent the destruction of the world while having tea.

Behind Scenes-Unique Activities Take Place

. . . One of light crews many worries-follow-spots-manned by Bill Kurth. . .

A Busy and Rewarding Year for Jeff Band

An important part of the band program is backing the Jeff basketball team at all the home games.

A successful band requires a busy director. Mr. Colton's efforts, combined with the efforts of 100 Jeff students, produced another successful band program this year.

Drum major Bill Biskup led the marching band in their all out effort to support the Jeff football team.

The many early marching band rehearsals awoke the neighborhood at 7:15 and blocked traffic until 8:15.

The marching band played "This Is My Country" in shield formation for the finale to a program that saluted the Armed Forces.

Marching Band Supports School Spirit

Band President Tim King carries a heavy load in the Jeff band.

Stranded enroute to Cedar Falls for the UNI Band Day, these girls patiently waited for a replacement bus.

The color guard was ably commanded by Barb Newport.

Band salutes the Navy with "Anchors Aweigh"

The band reaches the busses, exhausted and relieved, at the end of a long parade in Cedar Falls.

Timing is essential to Jackie Easker and Deborah Feuerhelm.

New Director Comes to Jefferson Orchestra

The winter concert was spotlighted by a string quartet of Kelly Stuefen, Corrine McDermott, Laura Colton, and Sarah Rupe.

Mr. Hoffman's first year with the Jefferson orchestra proved to be a successful one.

Corrine McDermott, Bob Stodola, and Jim Ellickson were out and plucky for an early morning practice.

Early morning practices aren't what Gail Vanous considers stimulating.

Band Carnival Royalty

Sophomore king and queen, Steve Ullrick and Marcia Stary.

Senior king and queen Jay Evers and Sue Sova.

Junior king and queen Toby Trickey and Cindy Bell.

The selection of a king and queen from each class highlighted the 1968 band carnival. Games, contests, and plenty of food also added to the carnival atmosphere. Prizes were given to those who won the games and door prize drawings were also held.

Concerts by the Jefferson band and the west-side Junior High Schools were also featured.

Gail Newport Band Queen

Gail Newport, senior, was chosen by the band members to represent them as queen at the annual Eastern Iowa Band Festival held May 18.

Gail played clarinet in concert band and orchestra. She was a member of concert choir and was in the color-guard. Gail was also a member of the All-State band this year.

The band, directed by Mr. Luman Colton and led by drum major Bill Biskup, was not entered in the band competition.

Senior Barb Newport, colorguard commander.

The Jeff band was host to approximately 40 other bands from throughout Eastern Iowa.

Gail Newport, band queen, leads the band in the 1968 band festival parade sponsored by the Cedar Rapids Jaycees.

Dave Trachta Receives Pat Jones Award

Each year the senior considered to be the most outstanding student in instrumental music receives the National Arion Foundation Award for outstanding musical achievement. Candidates for the award are nominated by the band and orchestra directors. The award is in commemoration of the untimely death of Pat Jones. This outstanding music student died just after her graduation in 1954.

This year Dave Trachta was selected as the final recipient of the Pat Jones Award. Dave plays trombone and baritone in the band and is head of the uniform committee. This year retires the fund for the award.

Directed by Mr. Luman Colton the band presents a Sousa Memorial Concert. One hundred dollars from the proceeds of the concert was contributed toward the building of the John F. Kennedy Center for the Performing Arts in Washington D.C. The center will house the concert hall dedicated to Mr. Sousa the American born composer and "March King"

Concert choir's Nena Kedo and Phil Sharp do a Spanish dance during the choir number, "A Jingle-Bells Travelogue."

Choirs-Bands Present Christmas Concert

The Eleventh Annual Christmas Concert, presented by combined bands, Concert Choir, Girl's Choir, Girl's Chorus, and Boy's Choir, was held December 16 and 18. The concert consisted of five parts and a prelude by an instrumental ensemble. Highlighting the program was Benjamin Britten's "A Ceremony of Carols," presented by Concert Choir and accompanied by harpsichord and harp. The section included songs sung in Latin, middle English, and modern English. The program closed traditionally with Handel's "Hallelujah Chorus."

The combined bands opened the Christmas show with six selections, ranging from classical (the overture to "The Messiah") to modern ("Chestnuts Roasting On An Open Fire").

Jeff Concert Choir Welcomes New Director

Mr. Allen Koepke joins the Jeff Music staff as new vocal music director.

1968 concert choir officers.

A new director and new choir robes are two of the items introduced to the Jeff choir this year. A graduate of Luther College, Mr. Koepke came to Jefferson from Clear Lake Iowa.

Mr. Koepke adjusts the new choir robes before concert. The choir raised the money for the robes through candy sales.

Concert Choir Initiates

Many hours of modeling and fitting were required before the choir finally decided which robes to purchase.

Mr. Koepke directs the choir in one of their many rehearsals, which are necessary for a successful vocal concert.

Mr. Koepke assists Dave Dyrland, choir treasurer, in the thankless task of keeping the books up to date.

Jefferson Olympics

Students and chaperones prepare to leave on the choir tour.

Prize winners in the record sale are posted in the choir room.

Two aspiring choir members devote their services at the first annual Jefferson Olympics.

Mr. Koepke takes time out from his hectic schedule to play the piano.

Choruses Present "Meet Captain Kidd"

The Combined Choirs presented the Christmas program in two performances to the student body in the auditorium.

Underclassmen

The first few weeks of school found sophomores wandering wideeved through the halls of Jefferson. And no wonder. They were embarking on a brand new world filled with biology, swimming and new faces. Nevertheless, this feeling of awe soon wore off and the sophomores began to feel at home. Sophomores elected officers this year and took an active part in student council projects. Not neglecting the fine arts, sophomores participated in orchestra and band and presented the winter musical, Meet Captain Kidd. As sophomores get ready to begin their junior year, they look back on the events of their sophomore year with fond remembrances. However, sophomores are also looking forward with anticipation to the adventures their junior year will hold.

Sophomores get an inside look at the prom.

Junior Class Officers—Polly Hedlund, president, Dave Erusha, vice president, Jean Reardon, secretary, Jean Abernathy, treasurer.

This year's junior class came back to school with a confident air about them. They were acquainted with the mass of building that petrified them last year. They were through with the terrors that belong to the bewildered sophomores at Jefferson. They had survived swimming, biology and the persecution of the seniors. Still, our juniors did not know all there was to know. This year brought the excitement of the junior prom, the horror of subjects like chemistry, and the memories of last year. This year meant remembering the problems for the first time.

With the memories of last year come the expectations of next year. For them, this brings a smile and the bright prospect of graduation. But along with the prospect of graduation comes a little bit of sadness—a feeling of depression because next year means the end of a wonderful life and the beginning of a new. At any rate, each junior can look forward to his senior year and expect as many exciting experiences as he has had in his previous years at Jefferson.

A.S.P. students under the guidance of Miss Brink, prepare for college.

Melody Dessinger plucks out a tune on her bass during a practice session in orchestra.

Art class can be a very wet and drippy mess as shown by Senior Sue Caffrey.

"Softly As I Leave You" Marks

Dave Heefner and JoAnn Heaton are shown arriving at the prom which was held Saturday, May 4 at the Armar Ballroom.

 $\mbox{\sc Phil}$ Sharp and Janie Biederman relax on the love seat during the prom.

Becky Paulsen and Janice Briggs with their dates pause at the fountain.

Dilyn Ledvina helped serve refreshments during the prom.

Final Prom For Seniors

Tables decorated with wild flowers provided a chance for these four seniors to take a breather during the prom to relax and enjoy some refreshments.

Couples danced to the music by the "Preferred Stock" to help make the prom a more meaningful and enjoyable evening.

Janet Smith and Rick Meints leave their table to dance before the evening ends.

Outstanding Seniors Honored

Penny Reifschneider and Diane Haerther were honored as Valedictorian and Salutatorian.

Mr. Daniels presented the John Daywitt award to Bob Shaffer.

Six seniors were awarded the Iowa State Bar Association medal for citizenship.

Mark Tschopp and Doug Lane were chosen Athletes of the Year.

Dave Trachta was awarded with the Pat Jones award by Mr. Colton.

"Mission Impossible" Proves Possible

Mr. Phelps (Steve Farmer) finds himself preparing for another mission-to survive three years at Jefferson.

CO'68 (Jay Evers) is bewildered by the size of Jeff.

Senior Prom on a tandem bike?

Girls found themselves slaves during W.P.A. week.

After a theme turned in at the last minute CO'68 succeeds at last and "Mission Impossible" proves possible.

Physical co-ordination?

Penny Reifschneider, Valedictorian, spoke on the topic of "The Potter's Material."

Four Student Speakers

The Concert Choir sang two medleys at graduation ceremonies "No Man Is An Island" and "Walk Hand in Hand."

Seniors receive last minute instructions.

Student speaker Chuck Haynor based his topic on "The Molding Elements."

At Graduation

As the procession began, the seniors march in to the music of "Pomp And Circumstance" to await the final moment of graduation.

Bob Horner, Senior Class President, spoke on the topic of "In Appreciation."

Taking the easy way out!

Diane Haerther, Salutatorian, spoke on the topic "Hopes For The Future."

Mr. Graham and Mr. Paxson make final preparations.

1968 has been a year of contrasts; victories and defeats in athletics, success and failure in scholastic achievement, and reflections and aspirations. We have tried to record these many moods in the 1968 STATESMAN. It is our sincere hope that this book of past events will bring you much enjoyment. We also extend our special thanks to our staff and advisor, Mr. Raleigh Magee.
